**Re:** September 2021 Electrician Wage Increase

---

We would like to take this opportunity to thank all the Trotter association employees for their continued dedication and commitment to their work.

The past 18 months have been challenging to say the least. The sagging Alberta economy along with the COVID issues have made it difficult to secure work and we are not out of the woods yet. We are all hoping prospects will improve moving into 2022.

As such, we are pleased to advise that effective September 18, 2021 the base Journeyman Electrician wage will be increased to \$37.00.

Once again, we thank you for your efforts and If you have any questions or require further clarification, please feel free to contact me.
